

**Discover the wide range of SPEA Testsystems
Look and see - our complete solutions will convince you!**

productronica 2017 in Munich

The **productronica** opens their doors again - this year together with the **Semicon Europa!**

We give a review of the SPEA product range - from Bed-of-Nail-Tester to Flying Probe up to the Semiconductor and quality management area.

You are cordially invited to visit us.

Please come from **14. - 17. November to our stand in hall A1 at 255!**

We expose the Flying Probe Tester:

- **SPEA 4050s2**
- **SPEA 4060s2**
- **SPEA 4080**

our Bed-of-Nail-Tester:

- **SPEA 3030 Inline**
- **SPEA 3030 Compact**

and for the Semiconductor area:

- **Rate Table**
- **DOT 400**

In the field of process optimization we present our software **COMPASS** for analysis, repair support and quality control.

We reserved a ticket for you. Please send an E-Mail to Ms Sommer (sommer@spea-ate.de) or call +49 (0)6404-697-0 in order to obtain your personal registration number.

We are looking forward to seeing you!

**Sincerely,
Your SPEA-Team**
